

Important! Critical announcement about GFI BackUp

GFI SOFTWARE CRITICAL ANNOUNCEMENT!

PRODUCT: GFI BackUp™ – commercial editions
ANNOUNCEMENT: Support for the commercial editions of GFI BackUp to stop on January 1, 2013
REFERENCE: [End-of-Life statement](#)
CRITICAL DATE: December 31, 2012

Dear GFI BackUp customer,

GFI Software is discontinuing all commercial editions of GFI BackUp.

Throughout 2012:

- » GFI will continue to provide support to all GFI BackUp customers who hold a valid maintenance agreement, and will continue to provide fixes and patches as appropriate.
- » GFI will no longer renew any current GFI BackUp maintenance agreements; the product is no longer being sold, effective January 1, 2012.

As of January 1, 2013:

As of this date, GFI will no longer support, develop or sustain the GFI BackUp product line. GFI will not develop or change any code related to GFI BackUp for support or any other purposes.

The freeware version of GFI BackUp will continue to be provided as is.

For more information:

- » Please read the [GFI BackUp End-of-Life statement](#) and our [End-of-Life policy](#).
- » If you have any questions, please call your local [GFI Technical Support office](#) and one of our representatives will respond to your question, or direct your issue to someone who can.

Thank you for your cooperation in this product support transition.
